

2010 San Jose Woman's Club Naglee Park Home Tour

Sponsor Information

The San Jose Woman's Club 2010 Naglee Park Home Tour presents a rare opportunity to view five homes from the turn of the century. More than 800 guests are anticipated due to the expanded hours (The 2008 tour hosted 400). The tour culminates at the San Jose Woman's Club landmark Spanish Revival clubhouse built in 1930 and designed by architects Wolfe and Higgins. Four of the five homes on the tour were designed by Wolfe family members.

All proceeds from the tour are dedicated towards renovating the original electrical elements of the clubhouse and expanding its capacity to meet the needs of the 21st century. Our goal is to make the San Jose Woman's Club a performing arts venue for the city by upgrading the stage lighting and heating system, and adding air conditioning and wiring for modern technology.

San Jose Woman's Club is a California 501c non-profit. Your sponsorship is tax deductible, less the value of tickets received. To participate as a sponsor, please complete the Sponsor Application Form and return it to San Jose Woman's Club, 75 S. 11th St., San Jose, CA 95112. For more information email info@sjwomansclub.org or phone 408-294-6919.
